# HELP GROW THE MINISTRY AT GOWANBANK?

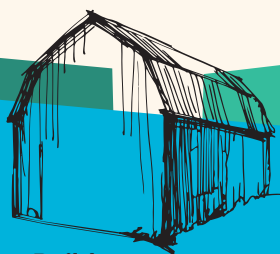

*There is surely something  
special in that place'*

*'the young people get to experience God's love for them through the love shown by our team'*

**Build a brand-new indoor sports hall** giving more wet-weather activity options and more meeting space

**Purchase staff accommodation nearby** helping to increase staff capacity

**Increase accessibility around the site** (fencing and paths) so everyone can access all activities and facilities

**Build new activity storage** allowing us to grow the number of activities we can offer

*A gift of £35* could help make the centre **more accessible** for all young people

*A gift of £60* could help build a **new drying room**. This is especially needed for young people from priority areas who don't always have spare kit

*A gift of £125* could help **install a new outdoor activity** as we seek to expand what we currently offer for more children and young people to enjoy

*A gift of £275* could help build a **new sports hall** — an exciting new space to offer more wet weather options for young people, increasing Gowanbank's year round offering
