Lendrick Muir is the perfect place in the countryside for a great weekend, with comfortable dorms, a large games hall and space to chill out. Activity choices include challenge course, trail biking and archery.

Scoughall, in East Lothian, is by the beach, a great place for a seaside holiday.

Activities include an assault course, orienteering and archery tag.

Click on the event pages above for full details including travel options.

There is a discount for siblings; please get in touch with the Edinburgh office for more information.

These weekends will be lots of fun with a wide range of activities. We will spend time exploring the Bible together and enjoy hanging out with friends, both old and new.
