Hello.

Thank you for taking the time to check out this trainee opportunity with SU Scotland.

Our shared vision is to see every child and young people in Scotland exploring the Bible and responding to the significance of Jesus.

We're probably best known for our work in schools, with churches and in SU centres. not to mention our dynamic programme of holidays and camps for children in P5 through to S6 where we say to every child and young person, "You belong here."

This is a unique opportunity to learn outdoor instructional skills on the job while gaining the fuller experience of being part of a centre community. Throughout your training you will be mentored by an experienced instructor, and you will also be paid an allowance each month.

We are seeking applicants who have a desire to work with young people and have a track record of engaging regularly in sport and fitness. You should have an interest in adventurous outdoor activities (e.g. trail biking, climbing, paddle sports, hill walking) and some previous experience of working with young people. You will also need to be prepared to be outdoors whatever the weather! To gain the most from this post, applicants should be willing to commit to a period of 2 years in which you will need to be enthusiastic, proactive, and motivated and use some of your free time to actively work on skills development.

Please enjoy reading through the enclosed recruitment pack and if you have questions about the role prior to applying, just shout.
