

JUNGLE ADVENTURE THEME SONG

Shout

Hey, hey! Hey, hey! Jungle Adventure!

Hey, hey! Hey, hey! Jungle Adventure!

Chorus

Hey, hey! Hey, hey! It's a jungle out there in the world.

Hey, hey! On this brand new day, let's escape to find ourselves.

Hey, hey! Let's travel away to a whole new adventure!

Verse 1

Following the trail, identifying tracks,

Exploring ev'ry tale, never looking back.

Finding something new, now I've hit my stride.

I'm never getting lost with Jesus as my guide.

Verse 2

He calls and he cares, provides and he guides.

He'll always be my friend, standing by my side.

His story never ends, he keeps on making new.

On him I can depend to always be the truth.
